Karen will share these real survival issues with your audience in concrete and easy-to-understand language.

Suggested Story/Background Intro:

"Karen, can you tell us a little bit about your background and how you got into healing sick houses?"

1. What was this mysterious cause in your "sick house" that killed your husband and made you a virtual invalid?
2. Can you tell me more about this type of radiation poisoning?
3. How do I know if I'm living in a sick house? What are the clues, diseases & symptoms?
4. If I live in a "sick house," do I really have to move, or is there another solution?
5. Many studies have shown that cell phones are dangerous to use. Is there anything we can do to help protect ourselves?
6. Why do you think microwave ovens are hazardous to our health, and how can we protect ourselves?
7. You have a surprising theory on why people can't get rid of their chronic infections, such as candida-yeast. What is it?
8. Can you tell me how to get the toxins that are in my house out of my body too?
9. What does "Energetics" mean & what does the title of your book *Our Energetic Evolution in Healing* mean? How does that fit in with all of this?
